

Traditional Wood COLLECTION

Model 3260 (454), Raised Panel design, Sunray windows, custom stain finish

MODELS **3240 & 3260** Rail and stile wood garage doors with timeless elegance

Raised Panel Model 3260 (454)

- 1 Door Sections** are constructed of 1³/₈" thick finger-jointed wood rails and stiles; with solid stain-grade rails and stiles as an option
- 2 Raised Panels** are constructed of 3/4" solid wood; edge-glued panels

Framed Panel Model 3240 (450, 453)

- 1 Door Sections** are constructed of 1³/₈" thick finger-jointed wood rails and stiles; with solid stain-grade rails and stiles as an option
- 3 Center of Framed Panel** is constructed of durable, 1/4" exterior - grade hardboard

Mortise and tenon joints are glued and steel-pinned for increased strength and durability

Shiplap section design provides weather-tight fit and smooth operation

Rust resistant track and hardware are constructed of hot-dipped galvanized steel

Backed by **1-Year Limited warranty**

The Genuine. The Original.

Since 1921, Overhead Door Corporation has not only raised the standards of excellence for the industry – we’ve created them. We created the first sectional garage door in 1921 and the first electric garage door opener in 1926.

Today, our network of over 400 Overhead Door™ Distributors are still leading the way with innovative solutions and unmatched installation, service and support. So look for the Red Ribbon. It’s your guarantee that you’re getting the genuine, the original Overhead Door™ products and services.
